

Dandelion Wishes Gala

Friday, 12th June 2020
Palladium at Crown

Proudly supporting

Monash
Children's
Hospital

You are invited to a *spectacular* evening of entertainment and fundraising in support of the Monash Children's Hospital.

This year's purpose

Creating a dedicated Children's Emergency Department

In the last year, over 69,000 children presented to the Emergency Department (ED) at Monash Medical Centre, Clayton. This number continues to grow.

Currently children cared for in ED are in a small section allocated to paediatric care. Whilst the medical care children receive is world-class, the facilities need to be upgraded.

To ensure the youngest of patients receive the best possible care from the moment they enter the doors, we are building a dedicated Children's Emergency Department. The new space will deliver the same level of benefits of a family friendly medical environment that have been seen in the Monash Children's Hospital since its opening in April 2017.

A visit to ED can be scary and intimidating for anyone, especially for children. The use of purposely fitted ambient lighting, colour and child friendly design elements have proven to be calming for children undergoing tests and procedures. When a child presents at the new ED, they will be cared for in a space that is designed to minimise stress and anxiety and include areas specifically for play and distraction.

Due to be completed in 2022, construction has already begun. The brand new, purpose built facility, adjacent to Monash Children's Hospital, will facilitate the continued provision of exceptional healthcare in a calm, welcoming and child friendly environment.

Every doctor, every nurse, every child

Your support of the Dandelion Wishes Gala will purchase state-of-the-art equipment for the Children's Emergency Department and ensure we have the very best resources to care for patients in a calm and relaxing environment.

Funds raised will also support training and equipment for use by doctors who work across the Emergency Department and Paediatric Intensive Care Unit. Our paediatric critical care

The evening will include special guest MC's, feature vocal performances, amazing auction items and fine cuisine. The stage is set for another unforgettable evening. Click on the following links to see highlights from our 2018 & 2019 events:

2019 Gala

2018 Gala

specialists work on the front line of hospital care treating children from birth to late teens. Their advanced training and experience prepare them to give children the unique medical care that they need.

We thank you for your support of the Dandelion Wishes Gala and Monash Children's Hospital. Your sponsorship will help support every doctor, every nurse and every child.

A full description of our needs is provided in the attached equipment list.

How you can support

We would be honoured to have your support for the Dandelion Wishes Gala. All money raised will go directly to supporting the Monash Children's Hospital, allowing them to deliver the highest standard of care for the children of Victoria.

We want to build lasting partnerships with like minded organisations. Our goal is to give you the recognition you deserve for supporting this great cause.

Benefits of supporting the Dandelion Wishes Gala include:

- Brand exposure
- Community recognition
- Networking opportunities
- Client hospitality opportunities

Supporting the Dandelion Wishes Gala is supporting the children of Victoria, assuring that the medical treatment they receive is of a world leading standard.
